100-Day Countdown - Last Quarter

All stations participating in Option Two must air a minimum of one "Countdown To DTV" per day during certain periods. Due to the delay in the DTV deadline, the revision of the countdown rules, and differing analog termination dates, not every station was required to air the "Countdown To DTV" the same number of times during the first quarter of 2009. Below, list the actual number of days on which your station aired any eligible "Countdown to DTV," and, in the Comments field, briefly explain how this number of days was calculated.
